

Join the South Australian Council for Adult Literacy, Inc. for

## State Conference 2017

and explore how we work together and learn together in a changing vocational education environment.

### The conference will include:

- An opening address by Joshua Rayner, Director, Training and Skills Commission.
- A keynote address by Louise Wignall, Education Consultant.
- A closing address by Hon. Susan Close, Minister for Education and Child Development, and Minister for Higher Education and Skills

### And the following presentations & workshops:

- Self-compassion Opens the Door to Learning, presented by Alison Harker and Paul Mulroney from Community Centres SA.
- Working with numeracy skills across different vocational areas, presented by Min McHugh, Michael Oliver, from TAFESA.
- The reciprocal impact of peer mentoring, presented by Caralyn Lammas, President, SACAL.
- Co-creating for positive outcomes, presented by Andrea Rivett
- Using the Foundation Skills Professional Standards Framework as a tool for professional reflection, presented by Louise Wignall.
- **With more to come**

### Who should attend:

This conference offers delegates opportunities to develop further some of the personal and professional skills required to learn and work together in a changing vocational education sector. It is suitable for practitioners, managers, program developers, assessors, specialists, support staff, volunteers and everyone working in vocational and community education.
